

GENERAL MANAGERS LUNCHEON

THURSDAY 30TH AUGUST 2018

LEADERSHIP CHALLENGES IN THE FACE OF CATASTROPHIC EVENTS

Statewide Mutual is hosting a General Managers Luncheon as part of our 22nd Risk Management Conference in August and inviting key decision makers in NSW councils to attend.

A catastrophic event is a risk that is always a possibility for our Members. Ensuring the right cover and risk management strategies are in place to mitigate this risk is an ongoing priority for councils and the Mutual.

We invite you to participate in an interactive discussion with our special guest speaker from London, Ray Chitty, Head of Insurance Service for the three London Boroughs of Westminster, Hammersmith & Fulham and Kensington and Chelsea, and Gary Murphy, General Manager of Lismore City Council and incoming Chief Executive Officer of Central Coast Council from July 2018.

Ray and Gary will share their emotive experiences in dealing with recent catastrophic events in their own regions (the Grenfell Tower tragedy in London and Cyclone Debbie here in Australia) and how they approached these trying periods as leaders in their field.
